ROLLER BLINDS

SIMPLY ROLLERS

With over 400 fabrics to choose from, the Simply roller blind, made-to-measure collection has been assembled to perfectly complement your windows. From fashion-forward designs to classic, easy to love textures and patterns, the range is bursting with interiors inspiration.

To give you ultimate choice, we have a selection of 200 printed designs that are all available on a choice of 4 base cloths.

LIGHT FILTERING (100% Polyester)

Gently diffuses the light coming through your window.

BLACKOUT (100% Polyester)

Prevents light passing through the fabric of the blind, perfect for bedrooms.

WATERPROOF (100% Polyester)

Moisture resistant, wipeable and blackout. Well suited to bathrooms and kitchens.

SOFT TOUCH (95% Cotton, 5% Linen)

A beautiful soft, luxurious quality fabric with blackout properties.

OPTIONS

Opt for a classic roller blind or upgrade to our sleek cassette to cover the barrel, available in 4 finishes. Our bottom bars are also available in various finishes so you can make sure your blind matches at the top and bottom.

Can't decide on just one design? Why not go for our Duo Blinds system. Pair two blinds together, neatly packaged in our large cassette. Our recommended combination is a sheer at the back with a blackout in front to give you the most control.

OPTIONS

HEADING STYLE

Choose our classic roller blind (standard or reverse roll) or upgrade to our cassette, available in 3 metal finishes or covered in matching fabric.

BOTTOM BAR

Choose your bottom bar finish to either match or contrast to the your chosen heading style. Also available in 3 metal finishes or matching fabric.

Matching Fabric

DUO BLINDS

Double up your blinds in our large cassette to give you ultimate light control.

Pair a sheer or translucent blind with a blackout blind to give you privacy during the day and block out the light at night.

Go one step further and browse our Simply Romans & Curtains collection to pair a roller with a roman.

MOTIONBLINDS

Automatic control of electronic items around the home is a growing reality. We now offer convenient and secure motorised blinds, allowing you to integrate your window coverings seamlessly into your smart home.

The MotionBlinds system offers flexibility to operate your blinds in a number of ways, from wherever you are in the world.

PULL CONTROL

Manually control your blind with the stylish chrome pull chain.

REMOTE CONTROL

Operate your blinds with a press of a button on our 1, 5 or 15 channel remotes.

APP CONTROL

Use the MotionBlinds app to control your blinds. Create room scenes or add timers to fully automate your blinds.

VOICE CONTROL

Through the Terminus WIFI bridge, you can connect your blinds to your home assistant of choice and control your blinds with your voice.

SCAN, CONNECT AND CONTROL

All our motorised blinds are now Bluetooth compatible.

SETUP IN A MINUTE

MotionBlinds Bluetooth motors can be set up and programmed in a minute. Just scan the QR code hidden by the chrome tassel and follow the steps on screen.

AUTOMATE WITH TIMERS

Putting the blinds on autopilot couldn't be easier. Set the time, desired position and days of the week using the 3 daily timers. At the scheduled times your blinds will automatically move to their preset position.

LAURA ASHLEY

SINCE 1953

Laura Ashley is an iconic, well-loved, and quintessentially British brand with a distinctive design aesthetic. Sophisticated styles, timeless designs and rich colourways are inspired by the vast Laura Ashley archive.

These decorative and elegant designs work beautifully for roller blinds. 22 design are available on a choice of three base cloths – light filtering, perfect for living spaces where privacy is important, and you wish to diffuse the light.

Dim out for bedrooms and spaces where you want to block out light. Waterproof when you need a wipeable fabric which is resistant to moisture with dim out qualities perfect for bathrooms and kitchens.
